### JUSTIN WILLIAMS: VIRIDIAN

Justin Williams, Dancing Monk, 2014. Oil and pigment on canvas, 121 x 81cm, Courtesy: the artist and Anna Pappas Gallery, Melbourne

The work in Justin Williams' new solo exhibition may appear to be the product of an active imagination. In recent years, however, Williams has been living and working in Victoria's picturesque Dandenong Ranges, where he has encountered unique tales and characters that have proven to be more curious than fiction. From his idyllic studio in the mountains Williams produces distinctive ceramic and painted works that reflect on and celebrate the character of the place he lives.
