YOUNG NORWEGIANS, PART I

New York, 135 Waverly place
#2B [📍 Map](#)

[👉 Multiple events for this show](#)

With these new paintings, the artist explores memories of his childhood bringing to life faded images from the 60's and 70's. The show title refers to the artist father, Bjorn Morisse, who created in Norway in the 60's the acclaimed folk band "The Young Norwegians".
